CLARK COUNTY - A Clark County judge has denied the release of a sex offender who admitted to having cannibalistic fantasies about killing and eating women.

Keith Elmore, 52, recently petitioned for release, saying treatment had made him well enough to get out of prison.

Elmore has been behind bars since 1994 when he pleaded guilty to luring a co-worker's wife to his apartment, wrapping a rope around her neck and then ordering her to strip. The woman was able to escape.
